Case No. CV12-0431 JSW

**TIME INC.'S REQUEST FOR SUPPLEMENTAL  
BRIEFING AND ORDER DENYING  
REQUEST**

State Action Filed: December 22, 2011  
Removed: January 26, 2012

On April 26, 2012, plaintiff Nicholas Murray filed a Statement of Recent Decision. (Dkt. No. 27.) The Recent Decision plaintiff filed is an Order permitting a plaintiff in another case alleging a Shine the Light violation to conduct limited jurisdictional discovery to address the court's concern that the plaintiff in that case had not adequately alleged or proven that he had met CAFA's amount-in-controversy requirement when he filed his complaint in federal court. The Order is inapplicable to this case and to Defendant Time's ("Time") pending Motion to Dismiss (Dkt. No. 15) as it does not address statutory standing, the plaintiff's own Article III standing, or the facts necessary to state a claim.

In the event the Court may consider the Order in ruling on Time's pending Motion to Dismiss, pursuant to Local Civil Rule 7-3(d) Time requests that the Court set an abbreviated briefing schedule such that the parties may address the Order.

Dated: April 27, 2012
